THE NEW RHEOLA MARKET IS OPEN. (At the old TRW site, resolven)

Lots of bargains to be had and access to a lot of new local traders offering various services from Garden benches to quality fitted kitchens, bedrooms and bathrooms.

A quick visit to the Aptus Kitchens Limited showrooms and I was hooked, I can buy almost anything in this market.

I was pleasantly suprised to see the quality and quantity of products and services avaiable at the new Rheola market.

Pay them a visit. You will certainly find a quality bargain and glad you did.

Enjoy !
