We have teamed up with [Aptus Kitchens Limited](#) to offer you a genuine 10% discount off their fitted furniture.

Here's a tip, just ask for a free no obligation quotation and once you have your price, then and only then, quote the discount code GLYNCOUK for a real 10% discount.

They have an amazing offer on a product they call MULTI-ROOM ask about it, you will be amazed at the discount, I have seen nothing like this before, other than with insurance companies, like Admiral Multicar.

Enjoy !
